Our Valued Patients,

    We hope this letter finds you and your family in good health. Our community has been through a lot over the past year, and all of us are looking forward to resuming our normal habits and routines. While many things have changed, one thing has remained the same: our commitment to your safety.

    We are staying up-to-date with the infection control recommendations made by the American Dental Association (ADA), Federal and State Centers for Disease Control and Prevention (CDC) and the Occupational Safety and Health Administration (OSHA). This includes new rulings and guidance for Personal Protective Equipment (PPE), which as you may know, is in high demand and limited supply. Therefore, we ask for your understanding and flexibility with the requirement to limit office visits, as they are dependent on the amount of PPE we have at our disposal. We cannot keep you and our staff safe without it!

    We look forward to seeing you again and are happy to answer any questions you may have about the steps we take to keep you safe in our practice.

    Thank you for being our patient. We value your trust and loyalty and look forward to welcoming back our patients, neighbors and friends.

Sincerely,
    Coastal Family Dental

    Alan, Annie, Alex, Kathy, Darci, Nancy, Debbie, Traci, Sunny, Leanne, Nicole, Chelsea, Joyce and Cathy

HOW YOUR APPOINTMENT MAY CHANGE

Due to the current COVID-19 pandemic, the following changes to scheduled appointments are as follows:

Please call and reschedule your appointment if you have had an exposure to a COVID-19 positive person, onset of fever, chills, body aches, cough, sore throat, loss of taste or smell with in the last 10 days.

- **Masks are required in our facility.**

- Patients are now welcome to enter the building for an appointment, there is no need to call or text first.

- Please use the provided hand sanitizer while entering and departing the building.

- Please come with a list of new medications or changes in health in order to make your appointment more time efficient.
